Before visitors have an opportunity to toga waters, the magnificence and magni tude of its hotels burst upon them; ho world. The Grand Union Hotel and Congress Hall will comfortably accommodate over one thousand guests. Duing of several hundred members were holding a convention at the Springs and were entertained at Congress Hall, but so ample were their accommodations that the parlors, dining-room, halls and piaz-za did not seem crowded. My friend and walked resolutely by these imposing hotels on the day of our arrival, and took up our abode at the Rossiter House, which we thought had a fine recommendation in the fact that for two successive summers it had been the head-quarters of the popular school of methods. We found accommodating, and ourselves soon comfortably situated.

A part of a day's programme at Saraoga is a morning walk to some favorite spring. We chose the Hathorne, as it s easy of access and exceedingly popuwatching the throngs of visitors that pat ronize the springs. The ladies were mostly guiltless of hats or gloves, using sun umbrellas for protection. The gentlemen were seldom innocent of canes. I am tempted to call Saratoga the Village of Canes. We found the water beauti fully clear and bright, but it tasted like some vile medicine. The first morning a taste was sufficient; the second we were able to drink half a glass, and the third morning we fancied we might in time learn to like it. At the Hathorne spring the visitor can drink the water hot or cold, as he prefers, but if he finds it dis agreeable, cold, let him not hope to find it more palatable, hot. The Congress lican party, for the creation and enprobable that the law passed by the
